## **BEGINNING BEEKEEPING BASICS**

### **Strictly for Brand New Beekeepers**

This workshop will focus on two topics: (1) ordering the correct beekeeping equipment before the spring, and (2) basic bee biology for getting through your first season. The workshop will occur at Kenneth and Joan Thompson's home. Please call Johnny to pre-register and remember to bring the \$10 fee to help pay for lunch and coffee during the day.

**Pre-registration  
required**

---

**\$10 lunch fee**

---

**Taught by  
Johnny Thompson  
and Jeff Harris**

---

**Limited to 30  
Participants**

---

**9 AM – 3 PM**

---
