

**39th Annual**

**Truck Crops Branch  
Experiment Station**  
**2024 Experiment Station Road  
Crystal Springs, MS 39059**

**Friday and Saturday  
October 13 and 14, 2017  
9 a.m. to 2 p.m. both days**

Landscaping, greenhouse and nursery businesses, and commercial production of fruit, vegetables, and turf are major contributors to Mississippi's economy and quality of life. To celebrate this contribution, Mississippi State University will hold its 39th annual Fall Flower & Garden Fest at the Truck Crops Branch Experiment Station in Crystal Springs (25 miles south of Jackson on Highway 51, Exit 68 off I-55). The two-day fest offers gardeners and homeowners from across the Southeast a wealth of vegetable, fruit, flower, nutritional, and other information. For more information, call (601) 892-3731.

**Be sure to LIKE our Facebook Page (Fall Flower & Garden Fest), follow us on Twitter (@MSUFallFest), and visit our website at <http://extension.msstate.edu/fallfest!>**

**The Fall Fest has gone mobile! Download Guidebook for Apple or Android to your phone or tablet, then search for "Fall Fest." The new app has the complete schedule, and you can rate each talk!**
